**EVENTS ORGANISED AT JUSTA CAUSA****JUSTA CAUSA NATIONAL MOOT COURT COMPETITION**

The term Moot Court comes from English. To moot means to bring something to a discussion. In a figurative sense, Moot Court means “Hypothetical case or hearing/ trial”. The aim of Moot Court is to groom the budding lawyers. It trains the students of law to create links between theory and practice. Thus, we include this competition in this Law Festival to provide an opportunity to the students to participate and develop the requisite skills of a lawyer. The judges for the preliminary and semi final rounds of the competitions are eminent practicing lawyers. The final round of the moot court competition will be judged by the Hon’ble Judges of the Bombay High Court.

**JUSTA CAUSA NATIONAL SEMINAR**

Seminars have unique characteristics of bringing things to discussion, they inspire the delegates to view the topics from all the angles and give their observations basing on their scientific study. This as compared to simple study of the subject better improves both the curiosity and the understanding of the subject.

With a similar objective of kindling the ever-needed thirst for knowledge and proper understanding of the current trends in the field of law and legal education, this year we are organizing two-days National Seminar.

**ABOUT THE SEMINAR**

The topic “**Women and Cyber crime**” is a burning issue of present era. Prominently the attention of the academicians, lawmakers and people lies in discussing and analyzing the issues of cyber crime related to economy and children; but the perspective of women victims is constantly ignored. Women hope to benefit from using new digital and Internet technologies for self-expression, social networking, and professional activities. However, while exercising these technological developments, cyber victimizations are found to be a barrier to her participation.

Internet is one of the greatest inventions in arena of communications; creation of virtual world without any boundaries gives people all the possible opportunities to connect both personally and professionally. All the facets of life whether social, economic, cultural, etc. have been affected with these technological developments. It was meant to be a blessing to civilization but in return it turned to be a bane for women specifically. The cyber crime against woman has been triggered up by victimizing her in all possible manners.

Though India is one of the very few countries to enact IT Act in 2000 to combat cyber crime but still the cyber issues regarding women remain untouched like harassment, stalking, cyber pornography, defamation, morphing, email spoofing, cyber terrorism, etc. The female netizens in India are facing lots of cyber issues, affecting their dignity, morale and respect. Increasing obscenity violates dignity and privacy of the victims. Cyber space is a transit space and this nature is a provision for offenders to escape after the commission of cyber crime. The legislative measures are needed to tighten up the grip on the offenders.

This seminar aims to draw attention towards such abuse of power of technology and victimization of women. The seminar is expected to be quite brainstorming and intellectually stimulating which would in return bring up concrete suggestions to reform cyber law. It would thus make it more effective and a potent weapon in hands of women to ensure security against cyber crimes.

The topic for the seminar is - **“WOMEN AND CYBER CRIME”**

The participants are requested to write paper on any one of the following or closely resembling sub- Themes

- : **“SOCIAL MEDIA AND CYBER CRIME”**
- : **“OBSCENITY AND DIGNITY OF WOMEN”**
- : **“LEGISLATIVE AND JUDICIAL APPROACH”**

**JUSTA CAUSA GUEST LECTURE**

Every year we organize this interactive session with a motive to enable the free interaction between the law students from all over India and the experts not just from the elite legal fraternity but with all descriptions of men on those topics that form their own peculiar professions and pursuits. This activity is basically aimed at giving the budding lawyers a chance to put forward their queries before the renowned learned people who have in depth knowledge of the subject.

**THE JUSTA CAUSA LATE SHRI VIJAY BHONDE MEMORIAL GUEST LECTURE SESSION**

Apart from these competitions, we also organize the Guest Lecture Sessions wherein every year we are fortunate to have Luminaries from the legal fraternity to bless the students of law with their enlightening lectures.

These lecture sessions play the role of a guiding light for the students and certainly help them give a correct direction to their efforts; make their efforts productive and fruitful. These edifying lectures were certainly helpful in elevating the students and the audience. The presence of the luminaries from the elite fraternity of law in this extravagant event makes it the highlight of this festival.

The Quiz is an event, which provides adrenaline rush not only for the participants but also for the spectators, and with College Prides at stake, it promises to be one mega event not worth passing up. It forms an essential part of B.A.C.L.'s JUSTA CAUSA LAW FEST.

As a part of our flagship event 13<sup>th</sup> Justa Causa, a National Level Law Festival, we invite entries for “QUIZCON 2015”, to be held on 8<sup>th</sup> Feb 2015. Our previous event “Queriosity”, a Vidharbha level Quiz, was a grand success which enthused Vidharbha with a new Quizzing culture. Once again QuizCon will provide a platform for young law aspirants to test their IQ and improve their knowledge.

To solve the questions relating to your intellect and which involves a discussion with your team mate regarding the mind boggling questions testing their IQ and an informal test or examination of a student or class is known as the quiz. The desire to know more because of one's curiosity, people participate actively in quizzes. Quizzes are usually scored in points and many quizzes are designed to determine a winner from a group of participants usually a participant with a higher score and same trend will be followed in this QUIZCON.

QUIZCON, an extravagant quiz concert, is a form of mind sport in which the players will attempt to solve workable questions. It will be an opportunity for young minds to hone their discussion skills and develop team spirit. The golden opportunity is waiting for you.
