CONCEPT NOTE

The Legal Practice of Mergers and Acquisitions and Insolvency and Bankruptcy in the recent past has become a vast and profitable area, with many lawyers working both for corporations and firms. It is a competitive environment and one where added skills and expertise can give both firms and individual lawyers a real edge. Recognizing the intensity of this area of corporate and commercial laws, School of Law, CHRIST (Deemed to be University) is organizing a TWO DAY NATIONAL WORKSHOP ON ACADEMIC - INDUSTRY INTERFACE ON CONTEMPORARY DEVELOPMENTS IN CORPORATE AND COMMERCIAL LAWS.
