

ADMISSION NOTIFICATION FOR ONE YEAR LL.M. PROGRAMME- 2019

THE CENTRE FOR POST GRADUATE LEGAL STUDIES

The [Centre for Post Graduate Legal Studies](#) is set up as an interdisciplinary Centre of excellence dedicated to legal research and teaching on issues pertaining to society and development. Environmental laws and Infrastructure laws are two emerging fields in legal practice. There is a dearth of qualified legal professionals in both these fields. It is in this context that the TERI School of Advanced Studies (TERI SAS) offers one-year LL.M. programme with specialisation in Environment and Natural Resources Law, and Infrastructure and Business Law.
