

# Workshop on AI Ethics, Education & Law at NMIMS, Bangalore Campus

Greetings. You are humbly invited to visit and attend the workshop on AI Ethics, Education & Law at the premises of NMIMS, Bangalore Campus from 7 to 8 September 2019. The workshop is organized by ISAIL-Lucknow Institute for a Greater Europe and the Law Department of NMIMS, Bangalore Campus along with a special September session of The Juris En Talks by Internationalism on 8 September 2019.

The workshop will be led by academics and thinkers in the field of Artificial Intelligence Ethics, Education and Law with an introductory initiative to encourage learning and out-of-the-box approach towards learning AI in the field of Law.

Speakers: Mr Abhivardhan, Ms Sahiba Maqbool, Mr Abhinav Misra

The session will cover the following areas related to AI Ethics and Legal Theory:

- Emotional Intelligence, Cultural Intelligence and AI Ethics
- AI as a Legal Personality: The Cyberspace Perspective
- AI in International Law: IHL, IHRL and ICL
- Status and Future of AI Ethics and Law via the perspective of the Indian Legal Fora

The workshop includes a special broadcasted session of the September edition of The Juris En Talks by Internationalism, taking the issue of "Law and Technology: Understanding Artificial Intelligence Beyond Consumer Experience".
