ABOUT THE CENTRE

Centre for Corporate and Competition Law is a student run forum of Symbiosis Law School, Hyderabad which has given a platform to all the students of the institution to showcase their interest towards Corporate Laws. This is newly established sapling under the umbrella of Symbiosis Law School; Hyderabad provides a social and academic forum to the students interested in participating or learning about corporate laws.

CCCL seeks to educate students about the current development in business world while providing a conduit for members to network and work in a corporate law community. The mission of CCCL is to promote quality corporate understanding and studying Competition Law in relation to it.

The Centre has successfully organized few events within the college with the aim to provide quality corporate learning. The forum has also invited legal professionals from the corporate world to interact with the students of SLS, Hyderabad.

ABOUT THE COURSE

Corporate learning is in a constant state of transformation. Where and how we learn, the roles and responsibilities of staff, supporting technologies and systems - all are continually evolving. As learning shifts away from formal training opportunities and closer to actual work activity, it's critical that we create continuous learning environments for all the students. With the complexities of the business world and the rapid change that we see around us, it is often necessary to fine tune learning to address specific needs of the law students.

Almost every Law student in today's era aims to join the corporate side. The streams in corporate Law are complex and very recurring, in order to address this problem the Centre for Corporate and

Competition Law of Symbiosis Law School, Hyderabad is offering a three day capsule course on Insolvency and Bankruptcy Code, 2016.

The IBC is considered to be as one of the biggest economic reform which contains and amends the laws relating to reorganization and insolvency resolution of corporate persons, partnership firms and individuals in a time bound manner. The IBC focuses upon the corporate and individual insolvency resolution process and introduces the concept of the Insolvency and Bankruptcy Board of India which would regulate a new genre of Insolvency Professionals through Insolvency Professional Agencies.

COURSE OUTLINE

The Proposed course will be two day national event at Symbiosis Law School, Hyderabad. Students/Scholars/Professionals from all across the country will be invited to attend the course and gain something out of it.
