ABOUT IGMUN

IGNUS is the socio-cultural festival of the eminent institution IIT Jodhpur, one of the most awaited events of the year, and has for the second time arranged a MUN, promising a highly engaging and dynamic platform for the delegates. Delegates from numerous institutions, both near and far would be participating in a lively and broad platform for discussions.

This year, we will be running the Disarmament and International Security Committee (DISEC), United Nations Human Rights Council (UNHRC) and Lok Sabha to provide for ample opportunities to debate, discuss and deliberate on major issues pertaining to the world and India and allow the delegates to polish their skills. We look forward to an intellectually stimulating and enjoyable conference, and a bevy of learning opportunities. We expect a passionate involvement from your institute, to help in making IGNUS MUN (IGMUN) a success.

AGENDAS
