LETTER TO THE CHIEF JUSTICE COMPETITION

Date: 28th March, 2020

“Letter to the Chief Justice” Competition is an event which is inspired by cases where concerned members of civil society in India wrote to the Chief Justices of various High Courts or the Supreme Court, on Inland Letters or post cards, to draw attention to pressing issues. These letters were later converted into writ Petitions/PIL. One such case is that of D. K. Basu and Others v/s State of West Bengal & Others, wherein D. K. Basu attached a newspaper article to an inland letter and sent it to the Chief Justice of Calcutta High Court, to bring light to the issue of custodial deaths. On similar line, we have conceived this event, which entails writing a letter to the Chief Justice of India on an inland letter.

General Rules:

- 1) Each team will comprise of 2 participants.
- 2) The topic for the letter will be disclosed 15 minutes before the start of the competition, at the venue.
- 3) A blank Inland Letter will be provided to the participants at the time of the competition.
- 4) The letter should be hand written in English.
- 5) Participating teams should enter only their team code in the space provided for the address on Inland Letter provided to them.
- 6) The time allotted to write the letter will be 1 hour.

Guidelines for writing the letter:

- 1) Avoid excessive use of legal terms. Participants should keep in mind that this is a method of appeal used by the common man.
- 2) Clean and legible handwriting is welcome.
- 3) The letter should be formulated so as to emphasize the larger public interest of the given topic.

14TH NATIONAL LEVEL MOOT COURT COMPETITION, 2020

IN THE SUPREME COURT OF ALTIN

Indigenous Arbata

...Petitioner

v.

Union of Altin

...Respondent

1. Arbata is a state in the country of Altin. Arbata has seen an influx of illegal migrants for nearly seven decades. The indigenous people of Arbata have always opposed this illegal migration.

2. The National Register of Citizens (“NRC”), a definitive list of Altinian citizens in Arbata, was implemented with the intention of ascertaining and identifying illegal migrants and deporting them back to their respective countries, regardless of their religious inclinations.

3. When the NRC was last updated in August 2019, approximately 19 Lakh people were excluded. This included Balkhis (majority religion of Altin), Shirazis (minority religion of Altin) and persons belonging to other minority religions.

4. At this juncture, the Central Government of Altin chose to safeguard the rights of Balkhis and all minority communities who had been excluded from the NRC, except one. The main reason given was that Balkhis and other minorities faced persecution and discrimination on religious grounds in neighbouring countries and were recognized minorities in those countries. Therefore, if Altin didn’t safeguard their rights, they would have nowhere to go. Shirazis, on the other hand, being the majority religious group in neighbouring countries would face no religious discrimination or persecution, if deported. The Central Government further clarified that Shirazis who had been excluded from the NRC could adopt appropriate legal proceedings and each case would be heard and decided on its own merits and in accordance with the principles of natural justice. Accordingly, the Citizenship (Amendment) Act, 2019 (“Act”) came into force.

5. Aryan and Zameer, (Balkhi and Shirazi, respectively) together with their respective wives had migrated from Pedra to Arbata two decades ago due to economic hardship and had taken up work as labourers on a tea estate. They had entered Altin without valid travel documents. When the NRC was implemented, both Aryan and Zameer’s families were excluded as neither were able to prove their citizenship. However, after the Act coming into

force, Aryan's family did not have to fear arrest or deportation and could benefit from the relaxation in qualifications for naturalisation; while uncertainty loomed large over Zameer's family. Detention camps were starting to be built all over Arbata and the fate of those excluded from the NRC and lacking the protection of the Act was clear.

6. In this background, Indigenous Arbata, a youth organization founded with the objective of protecting and promoting indigenous arts and culture in Arbata moved the Hon'ble Supreme Court of Altin to strike down the Act on inter-alia the following grounds:

- a) The NRC was intended to be a definitive list of Altinian citizens in Arbata, separating them from undocumented migrants, mostly those believed to be from Pedra. The Act merely encourages divisive politics leaving the core issue of illegal migrants unresolved;
- b) The Act makes religion a ground for acquiring/denying citizenship which is unprecedented;
- c) The Act is violative of Article 14 of the Constitution of Altin.

Clarifications:

- The laws of Altin are in pari materia with the laws of India.
- The laws of Arbata are in pari materia with the laws of Assam.
- Article 14 of the Constitution of Altin reads as follows: "Equality before the law – The State of Altin shall not deny to any person equality before the law or the equal protection of the laws within the territory of Altin."
- Petitioners/Respondents may take grounds in addition to the ones provided in this fact sheet.
- All laws and amendments thereto in force as on 28th December, 2019 shall be applicable to this competition. Any amendments or laws that come into force after 29th February, 2020 shall not be considered while deciding the merits of this case.
